Because my story matters...

2) What was the *worst* part of this year?

3) Apart from the best and the worst moments, what are three moments that I absolutely don't want to forget?

4) How do I feel about 2018 overall?

5) What excites me about 2019? Why?

6) What is the state of my soul? As I end the year, how am I *really* doing?

7) How is my relationship with God? How do I plan to grow spiritually in the days to come?
